Ohio Web Library

Specialist

**TEXT ALERTS (SMS)**

# Text Alerts

- No cost to your library
- Only sends between 9AM and 9PM
- Message must be 152 characters or less
- Easy for SEO libraries to use

# Text Alerts Examples

This is a reminder from the UAPL that 1 item(s) will soon be due. Please return or renew them by their due date. Visit [www.ualibrary.org](http://www.ualibrary.org) for more information.

You have items ready to pick up at the Lane Libraries.

Your hold is available from the Lakewood Public Library. It will be held for 10 days. Call 216-226-8275 for more information.

**ERATE TRAINING**

# eRate Training

- Two workshops per year.
- New this year: eRate 101 training
- Email and Telephone assistance.

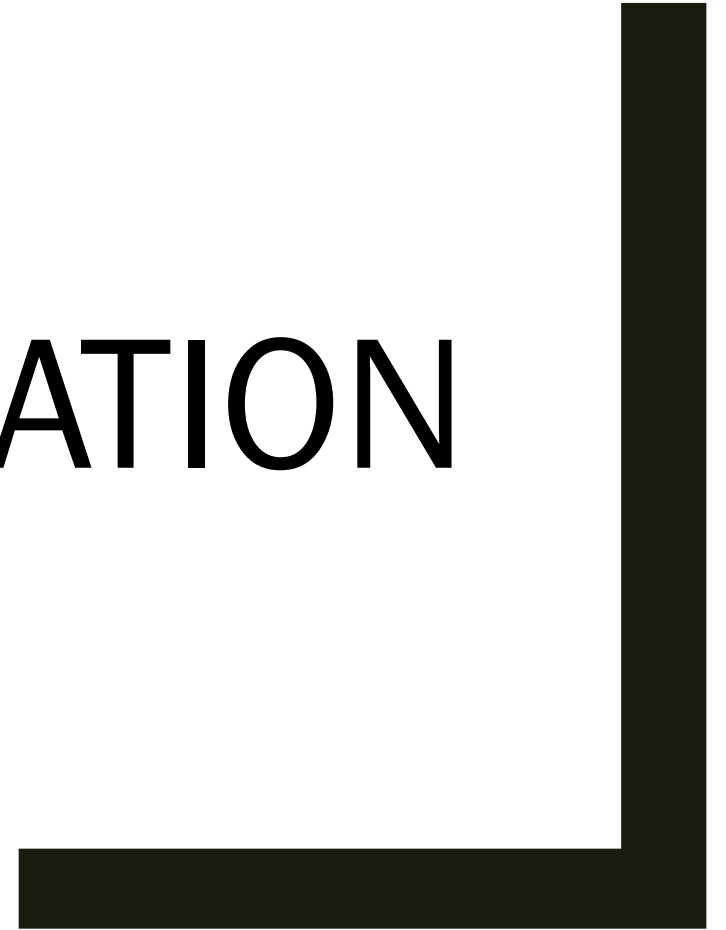

# SECURITY & FILTERING

# Cisco Umbrella (formerly known as OpenDNS)

- No cost to the library
- Blocking parameters set by your library
  - *Can either be filtered by category (for example Malware), or by site URL*
- Blocked message to patrons set by you
- Ability to unblock sites using a code.

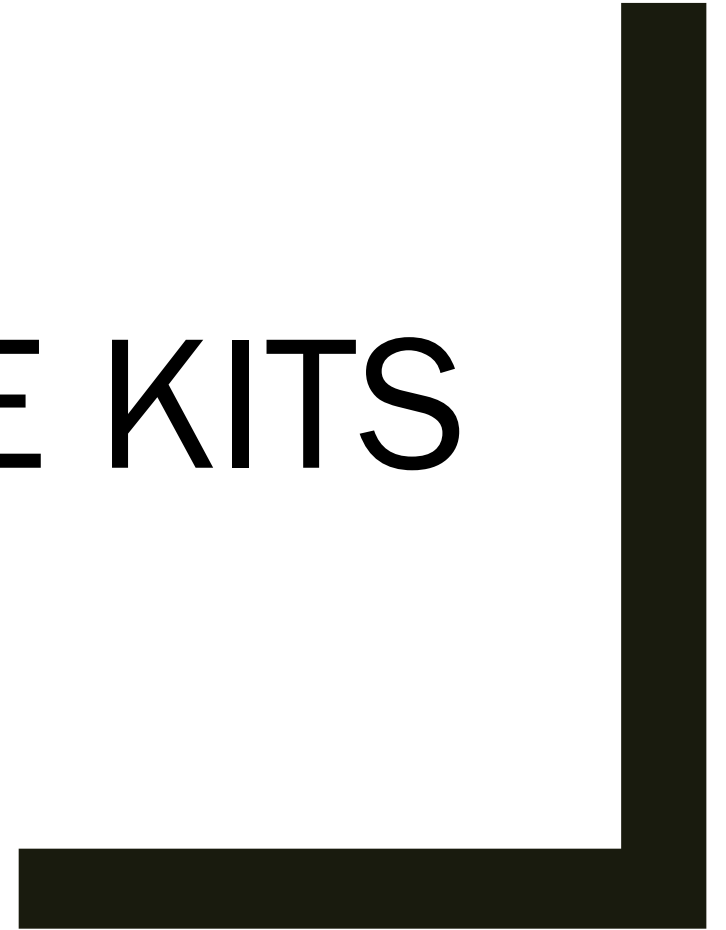

**AUTHENTICATION**

# EZProxy

- No cost to your library
- EZProxy is an online service that authenticates your patrons to use databases
- Accepting new libraries this fall.

**WEBSITE KITS**

- \$795 initial setup

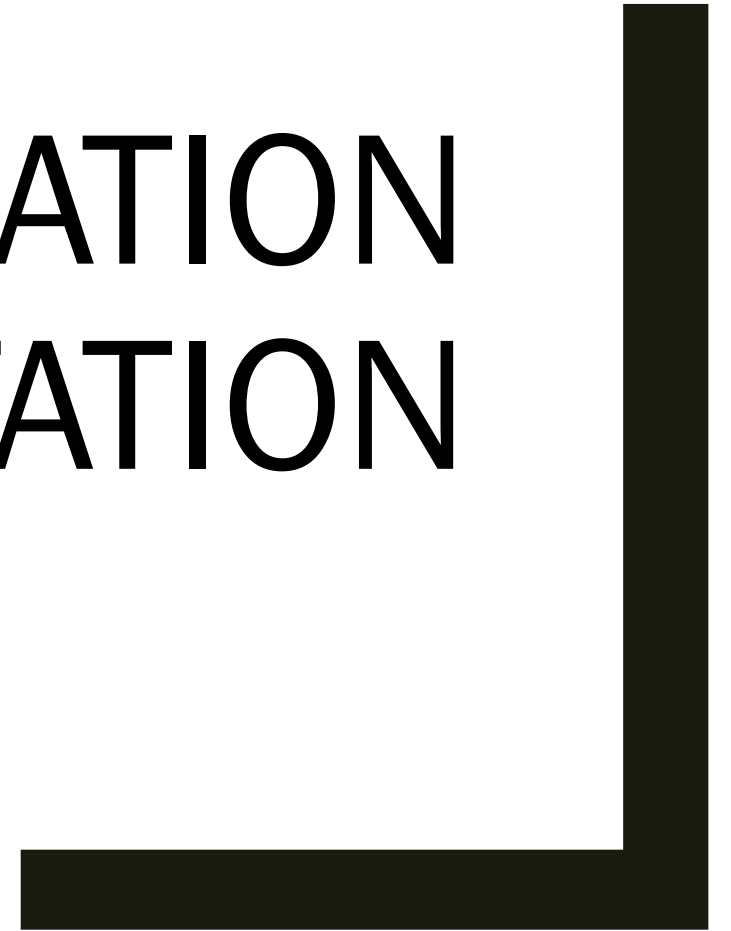

- Yearly maintenance and upgrades \$340

# DIAGNOSTIC SERVICES

- Stress test of network
  - *Can be done remotely*
  
- Website Audits
  - *Cost of \$125*

# DIGITIZATION CONSULTATION

- Help explore options for all steps during digitization (scanning, hosting, etc.)
- Guide you to best practices
- Find resources to assist you with metadata, workflow or other needs.

...AND OF COURSE,  
INTERNET CONNECTION

- Working towards a goal of every library at a 100 MB circuit.
- New routers coming your way by the last quarter of this year.
