-- Items convert to lost (No bill will be mailed)..60 days overdue

E. Billings

In billing for lost material, the actual charge to the borrower will consist of the list price of the material as indicated on the item record.

If the price of the lost material is not on the item record, the charge to the borrower will be a default price determined by the owning library.

If a SEO Consortium Member library receives a payment for a lost item that belongs to the SEO Service Center, or any consortium library, that library keeps the payment. No money will be exchanged. Over time, the loss of materials between libraries will find balance.

ILL non-member libraries not participating in the SEO Consortium will remain responsible for payment of all lost materials of the SEO Service Center and consortium member libraries.

The borrower may replace the lost material with a copy of the same title, or another title acceptable to the owning library in lieu of payment.

5. Borrower's Responsibilities

- A. Return of library materials will be required on or before the designated due date.
- B. Borrowers are responsible for materials borrowed until they are returned to the library from which the item was borrowed.
- C. Replacement of materials: The borrower may replace a lost material with the same title or another title acceptable to the owning library.

6. Confidentiality of Library Records

The State Library of Ohio Protecting Privacy Policy is to assist in the efforts of the agency to be compliant with section 1347.15 of the Ohio Revised Code.

7. Borrower Registration

Any Ohio library can register with the SEO Service Center for borrowing privileges for materials owned by the SEO Service Center.

To borrow materials from SEO Consortium Member libraries, Ohio Libraries must agree to pay a yearly fee.

8. Sanction List

A borrower of the SEO Service Center may have their borrowing privileges denied if:

- 1. It is determined by the Director that the borrower has consistently ignored the SEO Service Center's circulation policies.
- 2. If the borrower's account has met the \$75 bill threshold, they may be restricted from placing holds.

9. Adjustments

The SEO Director is authorized to adjust billings when:

1. An item that has been reported lost is found on the shelves at SEO, the charge to the borrower for that item will be cancelled.
2. The borrower returns an item that has been previously reported lost, the charge to the borrower for that item will be cancelled.
3. The SEO Service Center does not provide refunds for lost items that have been paid for. If the item that is returned has been paid for and is still in acceptable condition to circulate, a credit will be applied to the borrower's account to use for future bills.
